

**Questionnaire for Wind Power System Owners**

**Location of your Wind Power System:**

City/Town:  State:  Zip Code:

**Questions About Your Wind Turbine. Please answer as many questions as you can:**

Year your system was installed:  Total Cost of Your System: \$

Did you receive a tax credit or incentive to install system? If so, please list amounts:

State Rebate \$  State Tax Credit \$  Federal Tax Credit \$

Turbine Manufacturer (i.e. Bergey):

Does a revenue meter record the kWh generated from your wind power system? Yes  No

Rating of your turbine in watts (i.e. 10,000):  Watts

How many kilowatt-hours (kWh) does your system produce each year?  kWh

What is your average wind speed per year in meters per hour (m/s) or miles per hour (mph)?

m/s  mph

How did you originally estimate your wind speed? Gussed  Anemometer  Other

If other, please explain:

Who installed your system? Name & location of company:

Are you pleased with your installers work? Yes  No

Would you recommend your installer to others? Yes  No

How would you rate the performance of you system?

Excellent  Very Good  Good  Fair  Poor

Knowing what you know now, what would you do differently?

1.
2.
3.

Has your system ever stop working? If so, please list reason for each occurrence & the repair cost. Identify if the system repairs were covered by the equipment or installer's warranty:

Reason for system failure	Cost	Covered by Warranty?	
		Equipment	Installer's
1. <input type="text"/>	<input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. <input type="text"/>	<input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. <input type="text"/>	<input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>

**Questions About Your Tower. Please answer as many questions as you can:**

Height of your tower in feet:  Feet Is your system grid-tied? Yes  No

Type of tower (Place an "x" to the right of all that apply):

Lattice  Pole  Tilt-up  Guyed Wire

**If you use batteries, please answer as many of the following questions that you can. If you've added to or reduced the size of your battery bank, the following questions refer to your current battery bank:**

Battery Manufacturer:

Model:  Part Number:

What type of batteries do you have? Flooded Cell  Sealed

What is the battery capacity in Amp-hrs or kWh:  Amp-hrs  kWh

How would you rate the performance of you battery bank?

Excellent  Very Good  Good  Fair  Poor

### Questionnaire for Wind Power System Owners

#### Questions About Your Renewable Energy Credits (RECs):

Do you currently sell your RECs?

Yes	<input type="checkbox"/>
-----	--------------------------

No	<input type="checkbox"/>
----	--------------------------

If so, how much per kWh:

\$0.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
------	--------------------------	--------------------------	--------------------------

If you're not now selling your RECs, would you consider selling them thru BEE Co?

Yes	<input type="checkbox"/>
-----	--------------------------

No	<input type="checkbox"/>
----	--------------------------

#### Additional Comments?
